

Project Name:		Canada-Alberta Municipal Rural Infrastructure Fund Program	
Project Location:	Canada		
Client(s):	Alberta Transportation		
Duration:	October 2007 – November 2008		
Project Budget:	\$160,000		
		CAMRIF logo	
Project Nature:			
<p>Environmental Assessment Coordinator including the following:</p> <ul style="list-style-type: none"> • Managing over 50 municipal infrastructure projects • Federal Environmental Assessment Coordinator representative between municipalities and Joint Secretariat • Liaison between Alberta Transportation and Western Economic Diversification • Preparation of over 30 Environmental Screening Reports • Consultation with numerous stakeholders including municipal representatives, Provincial and Federal Regulators, community and First Nation representatives (mayors, Chief Administrative Officers) and other environmental consulting firms <p>For one year, Ms. Reese of IEL was seconded under contract with Alberta Transportation and worked in conjunction with the CAMRIF Joint Secretariat to assist with the Infrastructure-Canada Alberta Program (ICAP). The work involved daily communication between municipalities proposing new infrastructure projects, providing assistance to both communities and environmental consulting firms and screening those projects that triggered <i>Canadian Environmental Assessment Act</i> (CEAA) legislation. Ms. Reese has obtained first-hand experience working with the Alberta government, particularly Alberta Environment and Western Economic Diversification, and experienced in dealing with CEAA-based Environmental Assessments.</p>			
Deliverables or Results:			
<ul style="list-style-type: none"> * Completion of CAMRIF Round 1 Environmental Assessment infrastructure projects * CEAA screening of CAMRIF Round 2 Environmental Assessment infrastructure projects * Assist in completing ICAP Final Reporting <p>To date the work has exceeded with the client’s requirements.</p>
